These are some of the credit counseling agencies approved by the US Bankruptcy Trustee to provide these services to debtors. We have listed these agencies to aid you in choosing an inexpensive option. If you are not able to schedule a time for credit counseling with one of these agencies, please contact our office right away, or visit the Bankruptcy Court's website at www.wawb.uscourts.gov, click on a Self Help Filing Information@, and select Approved Credit Counseling Agencies or Approved Financial Management Agencies. This list has all approved agencies for the entire country, so look under the region you are filing in (Western District of Washington or District of Oregon) to locate the appropriate agencies.
